Subject: Division Directive to Permit Mine Operation, Duchesne, Utah

Dear Mr. Nelson:

It has been reported to the Division of Oil, Gas and Mining that a rock Quarry has been operating on your property in the Timber Canyon area of Duchesne County. We have no record of such activity having been approved by the Division of Oil, Gas or Mining or by Duchesne County.

Within 5 days of receipt of this letter, you are hereby directed to:

- Contact the Division to permit the rock quarry – the following will be required by rule – <http://www.rules.utah.gov/publicat/code/r647/r647.htm>
  1. Annual Permit fee
  2. Cultural Resource Survey (CRS)
  3. Completed Notice of Intention (NOI)
  4. Reclamation Surety Bond to be posted by the operator
  5. Signed reclamation contract.

Failure to provide the NOI, the reclamation surety, and the reclamation contract as directed may result in enforcement action being taken by the Division which may include a cessation order and fines.

If you have questions or concerns regarding this letter, please contact me at (801) 538-5261 or Leslie Heppler at 538-5257. Thank you for your help in completing this very important regulatory requirement.

Sincerely,

Paul B. Baker  
Minerals Program Manager
